SpEd Talk with Yvonne

Supporting Little Learners.

Empowering Educators.

Preschool Consultation Services

Developmental, Behavioral, &
Educational Support

Student Support & Referral Consultation

Classroom observations, screening and records review, and individualized recommendations to help schools understand student needs. Guidance with parent communication, referrals to Regional Centers, and school district assessment requests. Written summaries and referral letters available.

Developmental & Behavioral Screening

Individualized developmental and behavioral screenings using parent and teacher questionnaires to identify areas of concern. Includes interpretation of results, a brief written summary, and recommendations for classroom support or further evaluation when appropriate.

Behavior & Classroom Support

Classroom observations, individualized behavior strategies, visual supports, and teacher coaching to address challenging behaviors, improve transitions, support emotional regulation, and promote positive classroom participation.

Teacher Training & Parent Consultation

Practical training and coaching for educators, along with parent consultation to support children's developmental, learning, and behavioral needs.

Flexible À La Carte Services & Consultation Packages Available
