SpEd Talk with Yvonne

Building Inclusive Schools Together

Supporting Educators. Empowering Students.

Inclusive Education • Special Education Program Development • Teacher Training

Special Education Program Development

Consultation to help schools establish, strengthen, and improve special education programs, classroom supports, and individualized learning systems.

Autism & Neurodiversity Support

Practical strategies for supporting autistic students and diverse learners through structured classrooms, visual supports, sensory accommodations, and individualized interventions.

Behavior & Classroom Support

Positive behavior strategies, classroom management techniques, and individualized supports to promote student engagement, emotional regulation, and learning.

Teacher Training & Professional Development

Practical workshops and collaborative coaching to help educators support diverse learning needs, implement effective strategies, and build inclusive classrooms.

School Leadership & Program Consultation

Guidance for administrators and educational teams to evaluate existing services, identify areas for improvement, and develop sustainable support systems.

Virtual Consulting Worldwide • School & Nonprofit Partnerships
